**Fast Park & Relax Collects Food and Matches with Cash to Help
Community Food Bank Feed Hungry Families**

Off-site Airport Parking Company Organizes Food Drive October 4th - 28th

(Tucson, AZ October 4, 2010) - The [Fast Park](#) family of off-site airport parking companies, with 16 facilities in 12 markets, launches its third annual Canned Food Drive from October 4th through the 28th. Local collections will benefit the Community Food Bank, a member of [Feeding America](#), the largest food bank network in the country. In addition to collecting food, Fast Park & Relax (6970 S. Tucson Blvd. Tucson, AZ 85756) will donate one dollar for every pound of non-perishable food donated by customers.

Food banks across the country are struggling to keep up with demand this year. According to Feeding America, the demand for food assistance has risen 50 percent in the past year. In 2009 Fast Park collected over one ton of food to distribute to hungry families. In addition, Fast Park also donated one dollar for every pound of food collected locally, to aid in the Community Food Bank's mission.

"The food drive is a way for us to unite with our customers who are doing something very important for our community," said Melanie Chavez who oversees construction and branding for Fast Park. "We are inspired by the generosity of our customers and it's a pleasure to match their donations with a cash contribution. As a company we are always seeking ways to give back to the communities in which we are a part." To see photos from past years' drives, please [click here](#).
