### Thinking About Setting Up A Scholarship?

CINCINNATI, Ohio September 3, 2008 – After Bengals' Legend and Pro Football Hall of Famer, Anthony Muñoz retired from pro football, he wanted to give back to the community that embraced his career. Muñoz decided to focus his efforts on the needs of youth and one thing he knew he wanted to do was provide scholarships to deserving local students. What he didn't know was how to administer a fund and make sure worthy students applied and benefited from his generosity.

That's where the Cincinnati Scholarship Foundation (CSF) came in. The organization manages the Muñoz Scholarship Fund and dozens of other private scholarship foundations and makes sure the generous intentions of local philanthropists go to the students who will benefit most. You may be surprised to learn how easy it is to establish a foundation in your name, or your company's name so that you too can leave a legacy as Anthony has done.

If you would be interested in joining the dozens of businesses, organizations, individuals and non-profits that have committed to helping thousands of students achieve their dream of a college education, CSF can help you. The Cincinnati Scholarship Foundation is the only private, non-profit organization in the region whose focus is to administer scholarship funds. CSF is in a unique position to guide you through the process of establishing a scholarship fund in your company's name or in the name of a loved one.

As a scholarship donor, your generosity will live on in the students that you help. You will enjoy receiving thank-you notes from the students who benefit from your generosity as well as bi-annual progress reports. Enjoy the personal touch the CSF provides for you, the donor, as well as for the scholarship recipients.

This year marks a special time to recognize our foundation donors as well as the CSF. On October 9<sup>th</sup> we will "Share the Journey" with a Gala to celebrate 90 years of helping to make college dreams a reality for students in the Cincinnati community. Since 1940 the CSF has helped over 27,000 students attend college.
